Tournament Rules

Baker System

1. A qualifying round of 10 games (TOTAL PINS) will determine your division. Turn in score sheets to Tournament Director. After your first five games you will move. Everyone will move at the same time after the first five games. Please have only one person assigned to be coming to the tournament table to turn in and get information. All teams qualify and are seeded accordingly. Top two teams will be first seed in each bracket; second two will be second seed, etc.
2. All matches will be the best 2 out of 3 games.
3. In the case of tied games, total pins win the match. If a tie still exists, a 9th and 10th frame will be re-bowled with the same bowlers. No substitutes may be used in a tiebreaker.
4. 14 minutes practice balls starting on lane assigned to for first 7 minutes then move to opposite lane for the final 7 minutes. No shadows once tournament starts, unless lane breaks down and need to move lanes. Each bowler will get one practice ball on each lane only.
5. The left side always goes first. Bowlers will alternate lanes as they do in regular league play.
6. No Food or Drink is allowed in the bowler's settee area. Hats are not allowed while bowling. No Electronic devices during bowling match which includes cell phones and etc.
7. Smoking or any alcohol beverages are only allowed in designated areas.
8. If your team is short a bowler, get someone from another team. This person MAY NOT be from the team you are bowling against.
9. If you have bowled before the person on the left, out of turn or on the wrong lane. Just re-bowl that frame and continue with the correct bowler.
10. Coaches may not be your normal coach with your 2010-11 original high school teams.
11. This is a double elimination tournament once the brackets start.
12. PLEASE REMEMBER TO WRITE IN YOUR **Opponents name each time, Division, Lane & win or lost, then turn in your top score sheet after each match.**
13. ***** **HAVE FUN** *****
