All bowlers participating in all three events and paying the All Events Fee will qualify. If for some reason a substitute is needed during play, the series rolled by more than one bowler will not qualify towards this award. The Scholarship amount will be determined by the number of entries in the All Events Division and sent to the USBC SMART Program for each winner (Acct#11883). 100% of prize fund will be awarded.
- ENTRY FEE: \$12.00 per person per event. (\$7.50 lineage, \$2.50 prize fund, \$2.00 expense). 100% of the prize fund will be returned to bowlers as plaques. Plaques will be awarded in a 1:6 ratio. All awards will be determined by total pin fall plus handicap.
- HANDICAPS: will be 90% of 210 for all bowlers.
- AVERAGES: will be the current average with the minimum of 6 weeks bowled (2 game league - 12 games, 3 game leagues - 18 games). **THE LEAGUE COACH SENDING THE CORRECTLY FILLED OUT LEAGUE STANDING SHEET MUST VERIFY THIS AVERAGE.** If a bowler does not have this average as of the deadline February 28, 2010 then that bowler will bowl scratch (aver.=210). **Note:** All averages used must be "USBC" league averages.
- Bowlers may participate in each event as often as they wish. If you bowl singles and doubles, those events will be bowled at the same shift. If a bowler would like to bowl both doubles and singles but doubles on one date and singles on another, PLEASE SHOW CLEARLY on the entry forms! Singles will be bowled first. A bowler can place only once in the team event unless 2 or more bowlers are different for the "new" team. A bowler can place only once in the doubles event unless they changed partners. A bowler can only place once in the singles event.
- Prepaid Teams can receive one absentee score, the absent bowlers average minus ten (10). If more than one bowler is absent, the highest average minus ten (10) will be the absentee score and each additional bowler will receive zero for their scores. No absentee scores are allowed for singles and doubles. If a bowler is late, the bowler may start in the frame being bowled and receive zero (0) for each completed frame.
